Dear Valued Partners / Customers,

The year 2010 has come to a close and once again, Greenpac would like to thank you for your gracious and constant support rendered to us. It has been a great pleasure working with you and we have enjoyed every moment of this close working relationship.

At this juncture, we wish to take the opportunity to share some happy news with you. Achievements-wise, it has been a fruitful year for Greenpac. We managed to clinch the Singapore Packaging Star Award, the WorldStar Packaging Award as well as the WorldStar Sustainability Award this year. We are also pleased to have won the "Most ASEAN Admired Enterprise – Corporate Social Responsibility" Award at the ASEAN Business Awards in July. In addition, we embarked on a journey of business excellence this year and was awarded the SQC Star by SPRING Singapore, a rare feat for a young SME like Greenpac. These results have been very encouraging for us and we know that they were made possible with your unwavering support.

Thus, to our valued partners, here's to many more years of our wonderful collaboration! And to our customers, we will strive to further green your supply chains by providing more innovative solutions that are environmentally friendly and cost effective.

Happy New Year, and may 2011 be a memorable and delightful year for you.

Best Regards,

Susan Chong
